The 2000 Football season started off with high expectations but because of four District 9-3A losses by a total of 20 points or five points per game average, those expectations were never met. Even though the season will be considered unsuccessful, I know the young men who had the courage and strength to participate this year will be better men for having done so, and we will always be proud of them.

Dear Seniors,

Thanks for all the great experiences that we have had during this season. We have learned many things that we will never forget, especially the times when Jennifer forgot her shoes, Kyla almost got kicked out of practice two years in a row, and Meredith's different styles before every game. Also, we will never forget the way that Julie kept everybody on track, and last but not least is Jessica, and lets just say, DON'T MESS WITH HER! To sum everything up, we want to say to the Seniors of 2001, thanks for all the great memories, lessons, and laughs. It will never be the same with out y'all.

Good Luck In The Future and We Love Y'all!

Fellow FFA Members,

Our time has come to say goodbye to this wonderful organization. The FFA has taught us a great deal and we hope that the fire will continue to burn inside each of you as it has us. We have shared such great memories over these past four years. Between victories and defeats, championships, officer camps, conventions and banquets, you have been there to make it memorable. Let the leadership you have learned guide you through your FFA career. We love each of you and wish you the best of luck in whatever you do.

Looks like they had fun at the State Fair

Ashley and Kimberly present their projects.

Working with family and consumer science classes is fun. The leadership workshop, the State Fair, and Six Flages has all been fun. I look foward to having many more FCCLA members in the future.

Business Professionals of America

The purpose of BPA is to prepare students for the business workforce through the advancement of leadership, citizenship, academic, and technological skills. By intergrading its programs into the business classroom, BPA builds leadership, professionalism, poise, dependability, patriotism, and competency into business students.

BPA students "reach for the stars" in service and leadership. This year they provided teachers with cookies and a survival kit at the beginning of school, decorated pumpkins with Life Skills students, took Thanksgiving dinner to a family, bought gifts for an Adopt-an-Angel child, and helped with special Olympics. They attended the Fall Leadership Conference in Wichita Falls and participated in the area and State competitions.

Promise Yourself

*To be so strong that nothing can disturb your peace of mind,
 To talk health, happiness and prosperity to every person you meet,
 To make all your friends feel that there is something in them,
 To look at the sunny side of everything and make your optimism come true,
 To think only of the best, to work only for the best, and to expect only the best,
 To be just as enthusiastic about the success of others as you are about your own,
 To forget the mistakes of the past and press on to the greater achievements of the future,
 To wear a cheerful face at all times & to give every living creature you meet a smile,
 To give so much time to the improvement of yourself that you have no time to criticize others,
 To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.*
